ORDERING POLICIES

- All orders over $10 will be sent postpaid and insured. Orders under $10 are accepted, but must include 50¢ for postage and handling costs.
- Illinois residents must include the 5% State Sales Tax in their orders.
- All material carries a full 5-day return privilege. Your purchase price will be promptly refunded upon our receipt of any unsatisfactory merchandise — you, the customer, MUST be totally satisfied with any material we offer. This holds true for material returned for whatever reason.
- All material sold by RARCOA is unconditionally guaranteed to be genuine and as represented. You can order with confidence from a firm with established credentials. This is especially important in today's rising market where proper value is of the utmost importance.
- Although we do our best to maintain as complete a stock as is possible, it may happen that an item you request has been sold prior to our receipt of your order. We realize how disappointing it can be to have your check returned, so we ask that second choices be listed where a substitution is possible — especially if you are ordering a "type" coin. We promise not to abuse this privilege, and will send second choices only when absolutely necessary.
- You may call collect to reserve any items that total $100 or more.
- Any order of $10 or more can be charged to your BankAmericard or MasterCharge cards. Please include your name, exactly as it appears on the card, and list all the raised information on the card (include the four-digit bank number on MasterCharge cards).
- Personal checks are acceptable, but 10 days clearance must be allowed for persons with whom we have not done business or do not submit sufficient references. Cashier's or Certified Checks or Money Orders are preferable, and the material will be shipped, in most cases, the same day when payment arrives in this form.
- All photographs in this listing are of the actual items being offered.

1955 Doubled Obv. Die. Always a favorite with collectors. This variety was created when one of the working dies was being produced from the master hub. The working die receives several impressions from the hub in order to bring up the relief. The die is annealed between each striking and, when this particular die was replaced after annealing, it was rotated slightly from its original position causing a sharp doubling of all the lettering and date. Very interesting. **AU** 275.00

FLOWING HAIR HALF DOLLARS

1795 We have three specimens of this Scarce coin to offer at the present time, all of which are top-notch examples. The first is a Choice BU coin with some pale golden toning. Nicely struck with light obv. planchet adjustment marks, very commonly found on early American coins due to the Mint's frugality $4500.00; The second example is Gem BU, fully frosty and having virtually a full strike except for the eagle's breast feathers. All the stars possess full radials and the coin is free from major adjustment marks $5750.00; The third specimen is a **Superb Gem BU** coin. TWENTY CENT PIECES

1875-S The Twenty Cent piece has always been popular due to its short-lived issue and very low mintage. It is necessary for inclusion in any type set of U.S. coinage, and is becoming increasingly difficult to find. 1796 Small Eagle Rev. The first year of issue for this denomination, and the only year for the type. Always a popular coin and in great demand. Some insignificant light adjustment marks are seen through the eagle's legs $14,950.00; **Gem BU,** fully proof-like! Well-centered and sharply struck, except for the eagle's head which is characteristically weak in this variety. Virtually immaculate surfaces which are draped by a halo of gold, sea-green and lilac toning. Truly a specimen for the connoisseur 22,500.00

1828 25 over 50 C. The same rev. die as used in 1822, then set aside when the die blunder was noticed. For some unexplained reason, perhaps early Mint economy, the die resurfaced in 1828 to be used again in striking Quarter Dollars. An interesting coin. VG 97.50

LIBERTY SEATED SILVER DOLLARS

1836 Gobrecht Pattern Dollar. Name of designer on base, Eagle flying left in field of stars, Plain Edge. The Liberty Seated device of Christian Gobrecht was first employed for regular Mint issues in 1837 (Dimes and Half Dimes) and was first used for Silver Dollars beginning in 1840. Mintage figures for the Gobrecht Pattern Dollars cannot be considered accurate since restrikes were made ca. 1858-60, but, in all likelihood, the two pieces we offer were part of the Dec. 31, 1836 striking since the dies are aligned up-up and show no signs of cracking. These pieces were originally struck as Proofs, but got into circulation as did several of these patterns. U.S. Pattern Coins

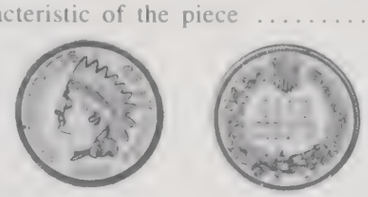
All pieces listed according to **United States Pattern, Experimental and Trial Pieces**, Fifth Edition (1974) by J. Hewitt Judd, M.D

1837 Feuchtwanger Cent. This trial strike, as well as some three-cent pieces of the same metallic composition, was produced in 1837 by Dr. Lewis Feuchtwanger. His alloy was composed of nickel, copper and some zinc, and the proposal was given to Congress as his effort in reducing the cumbersome size of the Large Cent and making up the difference in intrinsic value by substituting metals of a higher value per unit of weight. The proposal was defeated, since Large Cents were coined for twenty more years, but the advent of the Flying Eagle Cents in 1856 can be considered a direct result of Dr. Feuchtwanger's efforts. AU 75.00

1854 Cent, Copper. J-160, R-4. Obv.: Similar to the Large Cent of that year without the stars; Rev.: ONE CENT in a small laurel wreath. Chestnut Brown UNC 250.00

1856 Half Cent, Copper-Nickel. J-177, R-5. The Regular Dies Half Cent of the year, struck to demonstrate the appearance of the new Copper-Nickel alloy being considered for the Small Cents. This is one of only two patterns for this denomination (the other being 1854 J-155, Regular Dies Trial Piece in Copper-Nickel, of which only two pieces are known). This piece is VERY SCARCE and important! **Lightly toned PROOF** with the usual weaknesses in striking that are characteristic of the piece 1250.00



1859 Cent, Copper-Nickel. J-228, R-1. Obv.: The Regular Indian Head die of that year; Rev.: the die for the Indian Head Cent as adopted in 1860 (with oak wreath and shield). **Gem Brilliant UNC** with some light toning 325.00

1859 Half Dollar, Copper. J-240, R-4. Obv.: The Longacre design; Rev.: ½ Dollar in cereal wreath. Choice Toned PROOF 500.00

1862 Eagle, Copper. J-297, R-3. Obv.: The Regular die of that year; Rev.: The Regular die with the motto GOD OUR TRUST in a scroll above the eagle. **PROOF,** lightly cleaned at some time but now retoning nicely 450.00

1863 Half Dollar, Silver. J-338, R-6. Obv.: The Regular die of that year; Rev.: The Regular die with the motto GOD OUR TRUST in a scroll above the eagle. **Choice Brilliant PROOF** with some iridescent toning, in deeper shades on the rev. 750.00

1865 Quarter Dollar, Copper. J-424, R-7. Obv.: The Regular die; Rev.: The Paquet design without ribbon. PROOF, cleaned at some time and now beginning to tone in shades of golden-orange and lilac 325.00

SECOND CHOICES

Although we do our best to maintain as complete a stock as is possible, it may happen that an item you request has been sold prior to our receipt of your order. We realize how disappointing it can be to have your check returned, so we ask that second choice be listed where a substitution is possible—especially if you are ordering a type coin. We promise not to abuse this privilege, and will send second choices only when absolutely necessary.

1899 Brilliant PROOF, very Choice. Any Proof Gold coin is quite desirable, more so when it is found in unimpaired condition. The original mintage for this date was only 150 pieces, but of that number only a fraction could survive today. After the turn of the century, Proof Gold coins were bringing only slightly over face at auction. Hard-pressed owners of Proof Gold, not wanting to pay auction commissions and wait long periods of time before being paid, would spend these coins. This fact accounts for their true scarcity today 1500.00

SECOND CHOICES

Although we do our best to maintain as complete a stock as is possible, it may happen that an item you request has been sold prior to our receipt of your order. We realize how disappointing it can be to have your check returned, so we ask that second choice be listed where a substitution is possible—especially if you are ordering a type coin. We promise not to abuse this privilege, and will send second choices only when absolutely necessary.

Confederate Currency

For the first time we offer a complete selection of C.S.A. type notes including the VERY RARE Montgomery issues, from the $1000 to the $50; the $5 Shield and Eagle note, the Extremely Rare $10 Shield and Eagle note, and TWO of the $5 Indian Princess notes. The only notes we have not included are the $10 and $20 so-called "Essay notes" (Types 47 & 48) because of their somewhat dubious origin. Many notes in the Confederate series are virtually unobtainable in high conditions, and many more are not easily found without cancellations of some kind. Cancellations are listed as Cut Cancelled, where the notes were cut with a sharp instrument usually in the shape of an "X" or a cross; or Cut Out Cancel, a second type of cancellation whereby a piece or usually two pieces are cut out of the note (generally at the signatures) in the shape of a circle, half circle or triangle. Additionally we offer these thoughts that were found penned on the back of a Confederate bill by a Confederate soldier at the end of the war in 1865:

The "LOST CAUSE"

Representing nothing on God's earth now,
And naught in the water below it;
As a pledge of a nation that's dead and gone,
Keep it, dear friend, and show it.

Show it to those who will lend an ear.
To the tale this paper can tell:
Of liberty born, of the patriot's dream,
Of the storm-cradled nation that fell.

Too poor to possess the precious ores,
And too much of a stranger to borrow;
We issued to-day our promise to pay,
And hoped to redeem on to-morrow.

The days rolled on, and weeks became years,
But our coffers were empty still;
Coin was so rare that treasury quaked,
If a dollar should drop in the till.

But the faith that in us was strong indeed,
And our poverty well discerned;
And these little checks presented the pay
That our suffering volunteers earned.

We knew it had hardly a value in gold,
Yet as gold our soldiers received it;
It gazed in our eyes with promise to pay
And each patriot soldier believed it.

But our boys thought little of price or pay
Or of bills that were overdue,
We knew if it bought our bread to-day,
It was the best our poor country could do.

Keep it, it tells all our history over,
From the birth of its dream to its last;
Modest, and born of the Angel Hope,
Like our hopes of success, IT PASSED.

SECOND CHOICES

Although we do our best to maintain as complete a stock as is possible, it may happen that an item you request has been sold prior to our receipt of your order. We realize how disappointing it can be to have your check returned, so we ask that second choice be listed where a substitution is possible—especially if you are ordering a type coin. We promise not to abuse this privilege, and will send second choices only when absolutely necessary.

1895 Pattern Dollar. The obv. features a bust (R.) of Princess Liliuocalani, with dolphin below and inscription around. The rev. shows a circular map of the Islands with the date Oct. 16, 1893 below (the 18th birthday of the Princess and the date she could have ascended to the throne), and the coin's date, 18-95, in two small globes L. and R. VERY RARE as less than a dozen pieces are known! **Choice Brilliant PROOF** with only some very minor marks in the highly frosted devices removing it from the Gem category 2450.00
